Dear Member

RCN COMMISSION ON NURSING EDUCATION

As agreed at Friday's meeting, I enclose copies of the Bedford and Chelsea responses to the RCN questionnaire.

The draft University response has to be ready for circulation by the middle of next week which is a much tighter deadline than I indicated at the meeting. In the circumstances, I think the only way forward is for these to form the basis of the SAC's response supplemented by any comments which members may have on them. If I have not heard from you by Monday evening, 22 October, I will assume that you are happy with this approach and have no points to add to the two responses.

Yours sincerely

Dr E W Thompson
