Dear Madam,

Nightingale Fund.

I write to inform you that my Committee has awarded a Scholarship to attend the International Public Health Course at your College in the ensuing Session to Miss Pamela Rosemary Williamson, who is at present completing a Midwifery Course at the Radcliffe Infirmary, Oxford, but her home address is "The Elms", Horndean Road, Emsworth, Hants. She will no doubt wish to stay in the International Hostel in Manchester Square which I understand will be arranged for her.

Yours faithfully,

W H Bonham Carter

Secretary.
