Dear Miss Bowes,

The Council of Bedford College have approved the proposal that two special courses of lectures, one in Social Administration (Mrs Reid) and one in Industrial Conditions (Mrs. Williams) should be arranged at this College especially for College of Nursing students but they were unable to agree to your suggestion with regard to fees. The fee for such lectures will be 2 guineas per student for a course of 10 lectures as has been paid this term.

I hope this proposal will be satisfactory to the College of Nursing and I shall be glad to know as soon as possible whether it is desired that we make arrangements for these special courses.

Yours sincerely,

Principal.
