Miss Monkhouse,
The Secretary,
Bedford College for Women,
Regent's Park,
London.

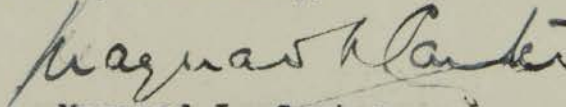

Dear Miss Monkhouse,

I have to go to Rome for a Conference at the end of September and shall not be free to leave Milan until the night of October 6th. It will therefore be impossible for me to be in London before the night of October 7th or the morning of October 8th. I am not quite sure if you are arranging for the meeting of the Committee for the Organisation of the International Courses about that time; if you are, I shall be glad if it is not before the afternoon of October 8th as it would be impossible for me to be there, and as there will be one or two important questions coming up for discussion, such as alterations to the curriculum and admission of doubtful students, I should like very much to be present.

I should be very glad if you could let me know as soon as possible, so that I can go ahead with my plans.

With my very kind regards and I hope you have had a real good rest,

Yours very sincerely,

Maynard L. Carter,
Chief, ~~Nursing~~ Nursing Division.

MLC/MT.
