Dear Madam,

NIGHTINGALE FUND.

I think I ought to have let you know before that my Committee is offering two Scholarships to Nurses trained at the Nightingale School to be held either at your College to attend the Public Health Course or at King's College to attend the Sister Tutor's Course.

We have done this continuously for so many years that I am afraid I have overlooked the necessity of giving you notice that we are doing it again this year.

I cannot of course say beforehand which course the Scholars when elected will desire to attend, but I may mention that my Committee is holding a Meeting on the 12th inst. to elect the Scholars, and I shall be able to give you notice of their decision immediately after that meeting.

Yours faithfully,

W H Bonham Carter
