15, MANCHESTER SQUARE,

W. 1.

Dear Principal:

I heard from Mrs. Carter today that Headquarters had a cable from the American Red Cross that they would 'underwrite' the expenses until July 1933, if Sir Arthur Stanley was satisfied that prospects justify; referring

to the Memorial Foundation.

I am passing on the good news,  
but you will hear officially from Paris  
in a few days.

Sincerely

Stan Dossy
