~~Hygiene & Pathology~~ College  
Schwartz June 24<sup>th</sup> 1912

Dear madam

I should like to

apply as a candidate for

the £35 scholarship for the

Bedford College Hygiene

course beginning in Oct. 1912.

I studied for eight years

at the Bath High School

G.P.D.S.T. & matriculated from

there in June 1908 - In 1909  
(when almost 19 years of age) I  
entered as a student at the  
Royal Holloway College & in  
1910 passed the Intermediate Arts  
Examination (in Latin, French  
History, & English) & am at  
present working under Miss  
Bloch & Miss Murray for  
B.A. English Honours Exam.  
(subsidiary Latin) which I am  
taking in October 1912 -

I want to take up social work professionally so am anxious to take a full Diploma Course. Miss Higgins suggested that you might be willing to grant me an interview as I am anxious to know something about the openings for women in social work - I am afraid I cannot come to town until next Saturday & am obliged to return home on Monday - If you could give me an interview on Saturday or

on Monday morning I should be  
extremely grateful but of  
course I realise that your  
time is very much taken  
up -

Yours faithfully

Constance Beauchamp
