

March 11th. 1913.

Sir,

The Council of Bedford College have recently had under consideration a scheme for modifying the College Hygiene course with a view to applying for a grant for the Course from the funds available for Technological and Professional work in Universities in England and Wales.

I shall be much obliged if you will kindly send me the necessary forms for making application for such a grant.

I am, Sir,

Your obedient servant

Secretary of Council.

The Secretary,
Board of Education,
Whitchhall, S.W.
