Dear Miss Monkhouse,

Thank you for your letter of the 25th and for the copy of the Minutes of the Organisation Committee. I note the very important decision with regard to outside courses.

I am prepared to endorse the recommendation with regard to Miss Wheelock taking the course in Statistics, and the recommendation with regard to Miss Griffiths taking the course in Psycho-Pathology and Mental Hygiene at King's College and a Mental Course at the Tavistock Clinic.

*See 2nd
letter attached*

With regard to Miss Robertson, I have discussed the matter with Mr. Mace and we think we should defer the decision with regard to the proposed course on Psycho-Pathology at King's College.

These recommendations are, of course, made on academic grounds. The question of finance is one for the Council.

Yours sincerely,

James
