W. 1.

Dear Mrs. Monkhouse:

I know no reason why the cheque has not turned up! I replied at once to Mr. Pine, after I had seen you about the two payments, you remember.

I received my household cheque yesterday, so perhaps the other will be forthcoming too. I shall be up at College on Monday & will see you then, if you have not received it, I'll send a reminder.

Sincerely  
A. L. Worsley
