Dear Miss Tuke,

The League of Red Cross Societies

Your letter, and the copy of the letter to the Acting Director General of the League of Red Cross Societies, has now been before the Council of the College of Nursing. In reply, I am to say that the College of Nursing is willing to co-operate with Bedford College on the lines proposed in Scheme 1. on the understanding that it is at liberty to withdraw from the agreement two years from October 1927. ✓

In order to save time, and on the assumption that the Council of Bedford College will appreciate the inability of the Council of the College of Nursing at its present stage of development to tie itself to any agreement for a longer period than two years, the Council has pleasure in nominating the three following ladies to serve on the Special Committee:-

- Miss Lloyd Still .. Chairman of the Education Committee.
- Miss Darbyshire .. Matron of University College Hospital.
- Miss G. Cowlin .. Education Officer of the College of Nursing.

I remain,
Yours faithfully,

M. S. Russell

Secretary.

Miss Tuke,
Bedford College for Women.
