Miss Monkhouse,
Bedford College for Women,
Regent's Park,
LONDON N.W.I.

Dear Miss Monkhouse,

I am enclosing 15 copies of the list of students, recommended for admission to the International Courses, for approval by the Committee for the Organization of the Courses at its meeting on July 8th. Our total number at the present moment is twelve with the possibility of two more for the Public Health Course. We have fewer than usual this year, and we have been obliged to turn down several applications on account of lack of knowledge of the language.

The twelve students we have, however, are of a quite good standard, I think. We have decided that it is better to have a few of a good standard than a larger number less well qualified.

I am expecting to arrive in London on July 7th, so I could see you on the morning of July 8th if there is anything you wish to discuss with me before the meeting.

With my very kind regards,

Yours sincerely,

Maynard L. Carter,
Chief, Nursing Division.

15 copies enclosed.
