Dear Miss Monkhouse,

Nightingale Fund

I write to give you formal notice that my Committee has elected Miss Kathleen Margaret Woodhead, who is at present at St. Thomas's Hospital completing her Midwifery Course in the Maternity Department, to hold our scholarship to attend the International Public Health Course at your College for the ensuing scholastic year.

I have written to Miss Baggalay to give her notice of this election and to express the hope that she will be able to receive Miss Woodhead in her Hostel. According to our arrangement in the past, my Committee pays her college fees direct to Bedford College and the remainder of the scholarship to the Florence Nightingale International Foundation. I take it that your fees will be £50 as in the past. I ask this now because the Florence Nightingale International Foundation likes to have a first payment on account of the scholarship made in August when their scholars begin their course of study.

Believe me,

Yours very truly,

W H Bonham Carter
