7th June 1938.

Dear Mrs. Draper,

I was very sorry to get your letter dated May 27th saying that you had not been well and did not feel able to take on definite responsibilities in connection with our Presentation Ceremony on June 30th. You will therefore be glad to know that we have been able to secure Mr. Norman Davis to perform the whole Ceremony, as an unexpected change of plan is bringing him to London for the International Red Cross Conference, and the boat on which he returns does not sail until July 1st. We hope we shall still see you at the Presentation Ceremony, when it would be delightful if you would say a few words of greeting to the Students, should you feel able to do so.

Yours sincerely,

Secretary.
