

21st May 1931.

Dear Lady Galway,

I have been asked through Sir Arthur Stanley to let you have some information about our International Course at Bedford College and I enclose the prospectus which gives a good many details. Should you wish to know anything further about the work done by the students, Mrs. Reid the Director of the Department asks me to say that she will be very glad to come and see you at some time convenient to yourself.

Yours sincerely,

Secretary.
