(University of London),
Regent's Park,
L O N D O N. N.W.1.

Dear Miss Monkhouse,

Many thanks for your letter of January 23rd. I am sorry that Dr. Boudreau cannot accept the invitation to speak. I have thought of Professor Jamieson, Dean of the London School of Hygiene and Tropical Medicine. I do not know what kind of a speaker he is. Could you ask Colonel Parkinson and, if the Principal approves, ask Sir Arthur Stanley by telephone if he approves. I have not been able to discuss the question with Mr. Swift as he is away but I think he will approve the suggestion. Have you any better suggestion?

Mr. Swift will see Miss Masarykova this week and hopes to get a definite reply from her. The letter has gone to the Japanese Red Cross with reference to Mme Hagiwara. We will let you know the result as soon as we have a reply.

I am leaving on Friday for Albania and Greece but expect to be back again about February 22nd.

With my kind regards.

Yours sincerely,

Maynard L. Carter
