Dear Marion

Thanks for your letter about dates for the examination meetings. I have duly entered in my 1996 diary.

Hope you & the students are enjoying your location in Bedford Square. I am sure you appreciate being with the Medical Sociology Unit - please give my good wishes to Mary Ann & Mike.

Not a lot changes here & my attempts

to the other the course of history are even more  
ineffectual than they ever were!

It ~~was~~ will really, good to see you again  
in June but I hope we meet before  
then.

All the best for 1986.

Love  
D. Smith,
