

20th January 1938.

Dear Sir Arthur,

At the meeting of the Committee for the Organisation of Courses for the Florence Nightingale International Students held this week I was directed to enquire from you whether June 30th at 3 p.m. would be convenient for the Presentation of Certificates next summer.

The Committee further considered the question of speakers and wished very much to invite Lord Baldwin to address the meeting, should you approve the suggestion and be willing to approach him on behalf of the Committee. Do you think this proposal is a reasonable one and if so would you be good enough to write to Lord Baldwin for us?

The Committee further recommended that Dame Florence Barrie Lambert, D.B.E., be asked to speak to the meeting from the nursing point of view. The question of who should

present the Certificates was left over until the speakers
should be decided.

Yours sincerely,

Secretary.
