25th April 1934.

Dear Miss Darbyshire,

At the last meeting of the Organisation Committee at which you were not able to be present, Mrs. Reid brought up the question of the recruitment of English Nurses for the International Course. I enclose an extract from the minutes dealing with the matter from which you will see that the question was referred to a sub-committee for report. You were nominated to serve on this sub-committee and it is much hoped that you will be willing to do so.

Could you spare time to come to a meeting of the sub-committee at 12 noon on Friday May 4th? If a morning time is very inconvenient for you, will you be good enough to say what time of the day would suit you best and we will try to find another date in the following week. I will ring up in the morning for your answer if you will be so good as to leave a message for me with your Secretary.

I am sorry to have to worry you about this matter, but the Principal's programme gets so full at this time of the year and it becomes very difficult to fit things in.

Yours sincerely,

Secretary.
