Dear Mrs. Hulbatt,

I have seen Dr.  
Dudfield M.O.H for  
Paddington today.

He will be pleased to act  
as External Examiner in

Hygiene.

He has very kindly invited  
the Hygiene students to spend  
an afternoon in his  
District at the end of April

(the beginning of next term) when  
I will average a suitable date.

I am  
Yours sincerely  
W. H. Williams
