

81.10

6th December, 1922.

Dear Madam,

I enclose an account due in respect of your students who are taking the Almoners' course. You will notice that although only five students are attending the lectures fees have been charged for six, that being the minimum number for which we understood from your letter of July 8th the course would be required.

Yours truly,

Secretary.

Mrs. Thomas,
The Institute of Hospital Almoners,
Denison House,
296, Vauxhall Bridge Road,
S.W.1.
