

13th June 1932.

Dear Mrs. Carter,

International Florence Nightingale
Memorial Foundation.

The College of Nursing after receiving a copy of the resolution passed by the Council of Bedford College on May 11th concerning the above matter, have written as follows:

"The Council of the College of Nursing will wish to continue its co-operation with Bedford College, but until the Statutes of the Foundation are known it will not be possible to anticipate what form such co-operation may take.

The Council of the College of Nursing, however, looks forward to the continuance of the pleasant relations of co-operation with Bedford College which it has been privileged to enjoy for many years."

I have not sent this reply to the Secretary-General but I thought you might be glad to know what the attitude of the College of Nursing was.

Yours sincerely,

Secretary.
