* See Diploma in Nursing, below.

† Visits of observation are arranged in connection with these courses of lectures.

Fees.—Single lectures may be attended for a fee of 2s. 6d. for College members and 3s. for non-members, except where otherwise stated. For non-members all fees are increased by one-third.

Diploma in Nursing, University of London.—*These lectures cover the syllabus of this examination and students taking the course of lectures in preparation for Part A of the examination may pay an inclusive fee of £9.

Health Visitors.—The College of Nursing is a centre approved by the Ministry of Health for the training of health visitors. The courses, of six months' duration, begin in September and January.

Hospital Administration.—A year's course for nurse administrators and teachers in schools of nursing is arranged at Bedford College in conjunction with the College of Nursing.

Sister-Tutors.—A course of three academic terms is established at King's College of Household and Social Science. Scholarships are offered by the College of Nursing to enable members to enter for this special course of study.

Central Midwives Board Examination for Midwife Teachers 1933.—A special course of study is arranged by the College of Nursing and the Midwives' Institute to meet the needs of students preparing for this examination.

Occupational Therapy.—A six months' course has been arranged in conjunction with the Maudsley Hospital.

Coaching for State Examinations.—Under certain conditions special coaching for the State Examination is offered, either in classes or by correspondence.

Postal Tuition in the following subjects has been arranged to assist students working in the provinces with their private study:—
