Dear Miss Monkhouse,

Thank you very much for your letter of June 18th enclosing the report. The paragraph on the tutors is excellent and will be a help when the discussion of the budget comes up.

I have made one small change which I am sure you will approve. In reports from an international committee, we do not, on principle, use the word 'foreigner'. I have, therefore, on page 4, line 10, omitted the word and the text now reads:- "The students are drawn from many different countries and often have language difficulties."

I am returning the first draft as you request.

Yours sincerely,

*P.S. I am sending the new applications for admission in a separate file. Inde*
