

24th June 1937.

Dear Miss Baggallay,

Mrs. Cooper Day, of the Overseas League, has telephoned to ask if it would be possible to send an invitation for the Presentation of Certificates to Miss J.I. Murdoch, c/o Overseas League, Overseas House, St. James's, S.W.1. She says that Miss Murdoch is a very distinguished nurse who is over from Canada just now and was on Tuesday presented to the King. I am sending on this request to you, as I expect you will wish to deal with it.

Yours sincerely,

Secretary.
