Miss Monkhouse,

Regent's Park, NW. 1.

Dear Madam,

Nurse Administrators' Course for International
Students

I have to thank you for your letter of the 30th October in which you tell me of the decision of your Council that one-third of the fees - namely 15 guineas - received from the League of Red Cross Societies on behalf of those students taking the above Course shall be paid to the College of Nursing. I note that this decision is operative during the Session 1924-25, after which it may be re-considered.

Will you thank your Council for kindly agreeing that the Lectures for which the College of Nursing is responsible may be given at Bedford College if the Timetable makes it possible; I think that if you could kindly let me know the days and hours on which the room would be available, I could then fit our Lectures in accordingly.

I remain,
Yours faithfully,

M. S. Rindley

Secretary
