

26th June, 1984.

Mr. S.J. Holder,
Director of Nurse Education,
St. Mary's School of Nursing,
St. Mary's Hospital,
Paddington,
London W2 1NY.

Dear Stan,

T Thank you very much for your letter giving arrangements for our students' paediatric experience, which I will pass on to them.

Like you, I am also looking forward to their experience and I feel confident that they will be happy and benefit from the process.

With best wishes,

Yours sincerely,

Marion Ferguson,
Director of Nursing Studies
