My dear Miss Tuke:

I am honored by the invitation to be present at the opening ceremony at Bedford College in connection with the summer school. I regret extremely that it is not possible for me to accept this flattering suggestion. It is by no means certain that I shall go abroad this summer. It is possible that my official duties will keep me here. But even if I were to make the trip it would not, I regret to say, be possible for me to adjust my plans to the date which you mention.

With assurances of deep appreciation and with best wishes for the success of your summer school, I am,

Very truly yours,

*George Vincent*
