N.W.1.

Dear Mrs. Reid,

I am returning the account for the students together with the names of those who have taken the various subjects. I am also enclosing a letter from Miss Hallows because I question in my own mind whether or not they had not made increase in the charges over previous years. Miss Hallows' letter explains. I do not know, but I think we have always paid just £1 1s. for each public health student taking the Courses in Principles of Education and ^{History} Principles of Nursing and also the same charges for the Tropical Disease Course, as members of the College. I may be mistaken about this but I just bring it to your notice in case Miss Monkhouse desires to look it up.

With my kind regards,

Yours sincerely,

Nan L. Dorsey.
Superintendent.
