Dear Miss Jebb,

I am enclosing a copy of the memorandum containing the proposals for the foundation of an International Memorial to Florence Nightingale, together with a copy of the resolution passed by the Executive Committee of the League of Red Cross Societies at its meeting held on April 25th, 1932.

I will be much obliged if you will kindly bring this before your Committee for the Organization of the International Courses which meets at Bedford College on May 17th and let me know if your Council and the Council of the College of Nursing are in agreement with these proposals.

Yours truly
