Dear Miss Monkhouse,

Thank you for your letter. It was my intention to write to you within a few days telling you of Miss Bowes' resignation from the staff of the College, but I postponed doing so as I thought possibly I should have the name of Miss Bowes' successor to forward to you for the consideration of the Organisation Committee.

I am not yet able to send you a name, but I shall be writing to you again before the date on which your Committee meets, i.e. July 8th.

Meanwhile, may I assure you that the interests of the International Students will receive the first consideration in the plans for filling the vacancy caused by Miss Bowes' resignation which we very much regret.

I remain,
Yours sincerely,

M. S. Randall,

Secretary
