Dear Mrs. Reid,

I understand that you have notified the College that the Joint Consultative Council of Institutions, recognised by the Ministry of Health for the Training of Health Visitors has, during the past year, been in a state of dissolution and that the affiliation fee paid by Bedford College in February 1945 is due for return to the College. If this is the case I shall be glad to receive the repayment of the subscription - £2.2.0.

I am told that the Council is to be reconstituted later under a new title and that the College will be informed when this has been carried out.

Yours truly,

Secretary.
