Dear Miss Brookhouse

I am looking forward very much to coming to Bedford College on Friday for the presentation of certificates. I will arrive shortly after 3 p.m. I shall be proud to present the Principal to the Duchess of Kent! I very much want to

catch a 5.30 train at  
Waterloo, but I imagine  
it would be easy for me to  
slip away about 4.50,  
& the Bakerloo will take  
me straight down - It is  
evidently a most interesting  
excursion & I am so  
glad H.R.H. is undertaking  
it.

Yours sincerely

Arthur Clive
