# THE COLLEGE OF NURSING

(Incorporated by Royal Charter)

HENRIETTA STREET,  
CAVENDISH SQUARE,  
LONDON, W.1

Telephone : LANGHAM 1784

31st December, 1937.

Dear Miss Monkhouse,

I have pleasure in enclosing as requested specimen signatures of Miss D.S. Coode who was President of the College of Nursing from 1935 - 1936.

Miss Coode uses two signatures and cannot recollect which one she used in this particular case so has given both.

I trust that this will be in order.

Yours sincerely,
