

21st May 1931.

Dear Lady Galway,

I am so very glad to know that we are to have the pleasure of welcoming you here on June 29th when you are coming to present the League of Red Cross certificates to our International Students.

Sir Arthur Stanley tells us that you would like some information about the students and the League, so the Secretary will be sending you some literature under separate cover. If, however, you would like some more information, the Director of Social Studies, Mrs. Reid, would I know be very glad to come and see you and tell you about the work of the Department.

Yours sincerely,

Principal.
