Dear Miss Monkhouse,

Special Committee appointed to interest girls and young women in Nursing as a Career.

I am asked by my Committee to thank you for the photographs and booklets about the Florence Nightingale International Foundation, which have arrived here safely.

We are very grateful to you for the loan of this material for our Nursing Exhibition, and we will of course, return it to you at the close of the Exhibition.

Yours faithfully,

*J. M. Balder*

Secretary to the Committee.
