Dear Miss Monkhouse:

Mr. Carter has written to ask if we
have got into touch with Miss Bonfield
re the students & their work etc. I know you
took care of this last year, so presume it is the
same this year.

May I ask if we could have a little rehearsal
tomorrow (Tuesday)? The students will be up
there for a lecture (Prof. Edgell) at 10 a.m. &

I thought it a good chance while they are
all there! Just let me if it will be all
right.
Sincerely
H.L. Denny
