Dear Miss Monkhouse,

I am afraid that we will scarcely be ready to bring the new applications for admission before the Committee which is to meet at Bedford College on May 3rd. I suggest instead that they are put on the agenda for the June meeting which will be held before the Presentation of Certificates, probably about June 20th or 21st if convenient to Bedford College.

The applications are coming in quite well and the standard seems good but the delay is due to the fact that we will have to get the approval of the members of the Provisional Committee with regard to the allocation of the Scholarships.

With my kind regards.

Yours sincerely,

Maynard L. Carter
