Dear Madam,

Nightingale Fund.  
-----

I acknowledge the receipt of the cheque for £3. balance of grant received from the Ministry of Health on behalf of Miss Merry for which I enclose you my official receipt.

I just record that this sum is made up of £9. due less £6. paid for Miss Parker, which the Ministry has claimed to be returned because she is not taking up Public Health Work in England or Wales.

Yours faithfully,

*W H Bonham Carter*
