Miss Monkhouse,
Bedford College for Women,
Regents's Park,
N.W.1.

Dear Miss Monkhouse,

We are having to consider the announcement for the 1935/36 Courses. I am submitting the draft of this announcement to my Committee of Management during the first week of October in order that they may pass the material in it which is not directly concerned with the curriculum. Would you very kindly submit to the Bedford College Committee the curriculum for the year 1935/36 in order that we may have this approved before going to print?

I do understand of course that nothing passed so far in advance can be necessarily very definite but because we have to collect students already for that year we must publish some kind of proposal as to the Courses.

I am sending you under separate cover half a dozen of this year's announcement for the lecturers. If you want any more would you mind telephoning Manchester Square and I will see that you have them.

Yours sincerely,

Olive Baggallay

Olive Baggallay,
Secretary.
