Dear Audrey,

Re; Nurip B.Sc. Students.

"Mock" exam. 7th March. 10am-1pm

Unfortunately, the South East Thames Regional Health Authority have decided that my interview for this job is Monday, 7th at 10.30am!! Since this involves my future career, I think I ought to go! So, enclosed are the exam' papers; the jobs could get on with'd themselves, I'm sure, round the table in the interview room, with occasional supervision from yourself. I will do my very best to be in by 2.30pm - perhaps you could tell them my absence was at short notice (today, at 4pm!!)

Many thanks, and I will see you on
Monday later, hopefully with a permanent job!

Best wishes,

Liz Dean .
