Dear Madam,

I very much regret that absence in Scotland prevents my having the pleasure of being present at the Presentation of Certificates by the Duchess of Atholl, to the students who have completed the Red Cross Course in Health & Nursing Administration.

The International Council of Women takes a very great interest in these Courses, and I hope I am not taking an undue liberty in sending on the card of invitation to Miss A. Christitch of Jugo-Slavia, one of the I.C.W. Recording Secretaries, who would represent me and convey the congratulations and good wishes of the International Council of Women to the Students.

If there is still time to arrange a little Party for them at the Lyceum Club before they leave England, I will ask Miss Christitch to undertake this also on my behalf.

Yours very truly
Johanna Aberdeen & Temair
