

16th May 1938.

Dear Mrs. Draper,

I am writing on behalf of the Council of Bedford College to ask whether you will honour this College by coming here on June 30th to speak to the International Students, who have attended Courses (1937-38) offered by the Florence Nightingale International Foundation, and to present Certificates to those students who have gained them.

For your information I enclose a prospectus of the International Courses and last year's programme of the Presentation Ceremony. My Council would be much gratified by your acceptance of this invitation and I am to say how greatly it is hoped that you may be able to do so.

The Ceremony is at 3 p.m. and is followed by a reception, which will be in the garden if the weather permits.

Yours sincerely,

Secretary of Council.
