Dear Miss Monkhouse,

In Mrs. Carter's absence I beg to acknowledge your letter of June 24th.

We appreciate fully the interest shown by the Council of Bedford College in the continuance of the Courses for International Students and we are glad these courses can be carried on in these conditions for at least a further two years.

We are pleased to hear the three lectures given by Miss Edith Smith on Health Publicity are included in the Course and we thank you for sending the minutes of the meeting of the Committee for the Organization of Courses for International Students held on May 24th and of that of the Sub-Committee held on June 20th.

Yours sincerely
