11th July 1930.

Dear Miss Rundle,

Thank you for your letter of July 10th the contents of which I am communicating to Mrs. Reid. If your first Selection Committee must be either on July 16th or 17th and Mrs. Reid is unable to be there perhaps you can let her have a copy of the applications so that she may be able to say the names of those candidates she would select for interview.

Yours sincerely,

Secretary.
