

Report on Psychiatry Course.Financial Aspect.

At present the cost to the College is as follows:

Dr. Hutchison's fees (6 lectures @ £3.3.0 each)	£18.18. 0
Fees paid for students who attend the course in "Psychopathology and Mental Hygiene" at King's College	<u>8. 8. 0</u> £27, 6. 0
<u>Less</u> receipts from College of Nursing students taking Dr. Hutchison's lectures.	<u>16. 4. 0</u>
<u>Total cost to Bedford College</u>	<u>£11. 2. 0</u>

Under the proposed new scheme the possible cost to the College would be as follows:

10 lectures by a Medical Psychiatrist at £4.4.0 each	£42. 0. 0
<u>Less</u> possible receipts from the College of Nursing as above	<u>16. 4. 0</u>
<u>Total cost to Bedford College</u>	<u>£25.16. 0</u>

It is not however certain that the new arrangement would be as convenient to the College of Nursing as the old arrangement with Dr. Hutchison, in which case the cost to Bedford College would be £42.0.0.
