Miss O. Monkhouse,
Bedford College for Women,
Regent's Park, N.W. 1.

Dear Miss Monkhouse,

I think the enclosed amendment to the notice of the Hospital Training School Administration course as published in the International Course prospectus will meet the case for the coming year, but please do not hesitate to alter it in any way you think fit.

I have not repeated the resume of the substance of the lectures as this remains the same.

Yours sincerely,

H.C. Parsons
