

Sr. Thoman's Hospital.

May 31st

London. S.E. 1.

284A

Dear Madam - I fully appreciate the honour it is, to be asked to speak to the students on

June 26: and although I feel most inadequate, I will do my best.

I should be most grateful if you could

give me some idea of how
long the address is
expected to be?

With apologies for
troubling you and
grateful thanks for
your letter —

Yours truly

10 mins

D. C. Bridges.
