16th May, 1983.

Mrs. Marion Ferguson, Director of Nursing Studies at Bedford College, has asked me to contact you in connection with community experience for students on our undergraduate course in Nursing Studies leading to a B.Sc./S.R.N.

Eleven 3rd-Year students will undertake this experience for two days a week during January-March 1985. Owing to the difficulties of placing students in the Inner London area, we are approaching the outer districts and we would be very grateful for any help you may be able to offer. We have generally found two placements per district to be a reasonable number.

I appreciate the demands currently being made on community resources. However, this would not be a long-term commitment since we will have no student intake from 1983 onwards and these students will therefore be the last group undertaking community experience.

I should be pleased to come and see you in order to discuss this in further detail, and I look forward to hearing from you.

Yours sincerely,

E. Meerabeau (Mrs.)  
Lecturer in Nursing Studies.
