Miss Monkhouse,
Bedford College
Regent's Park,
LONDON N.W.I.

Dear Miss Monkhouse,

I have just returned from a mission to the Baltic countries and Czechoslovakia, and have found your two letter with reference to the date of the Presentation of Certificates, and to the change in the date of the meeting of the committee at Bedford College.

With regard to the former, this date will suit us quite well, if you feel that you can have the examination results as early as July 3rd in order to give us time to get the certificates completed before the 5th.

Lady Cowdray's name was suggested at the last meeting as a possible person to present the certificates, and we are writing to Sir Arthur Stanley asking him to communicate with Lady Cowdray, and to let us know as soon as possible before the next meeting if the date meets with his approval.

I am leaving for my vacation next week, and shall return to the office in time to leave for your meeting on July 18th.

I had an extremely interesting time visiting the Baltic countries, Finland and Czechoslovakia, and I have seen some nineteen of our old students at work, and found all of them doing very well indeed; I have come back most encouraged.

With my kind regards and very best wishes for Christmas and the New Year, and I shall look forward to seeing you next month.

Yours very sincerely,

Maynard L. Carter,
Chief, Nursing Division.
